Joint activity with Croatia, Finland, Slovenia and Estonia: Promoting the use of Transnational Peer Reviews by updating the criteria

WEBINAR

Registration link: <https://ekka.edu.ee/en/news/webinar-promoting-the-use-of-transnational-peer-reviews-by-updating-the-criteria/>

This webinar is part of **EQAVET project to support the quality assurance and help VET providers to assess and develop it's own activities through international peer review.**

In this project has been developed **Transnational Peer Review Criteria for Vocational Education and Training in Europe** and **piloted the Peer Review process at VET Providers level.**

The development work has been carried out as a joint project by the quality assurance national reference points of Finland, Croatia and Slovenia and together with Estonia (EKKA).

The goal of this webinar is to discuss the quality areas and learn from each other how to organize international peer review and further develop transnational Peer Review procedures based on the experiences from piloting.

Participating reviewed **VET providers**

Finland: Keski-Uudenmaan koulutuskuntayhtymä Keuda/Keuda Group VET
